

## Profi-Crimp Plus

Universal crimping tool with quick-change insert technology for solderless crimping of cable connectors

## Product advantages

- Simple quick change of inserts without screws or necessary tools due to quick locking mechanism
- Robust handy tool with ergonomic 2-component handles, ratchet and unlocking option
- Crimping pressure adjustable if necessary
- Available as standard with interchangeable crimping inserts for all common connector types
- Also available as a set, either with space-saving, innovative magnetic holder for up to 3 crimping inserts or in a handy plastic case for up to 6 pairs of crimping inserts

## Content

Low-cost ergonomic quality tool with quick-change insert technology. Available either as a set or with individual inserts of your choice.

**Plastic case**  
Part-No. 12205

**Magnetic holder**  
Part-No. 12206

**Basic tool Profi-Crimp Plus**  
Part-No. 12204

**Interchangeable crimping inserts**  
Part-No. 12217-12222

## Deliverable versions

Part-No.	Description/Scope of delivery
12204	Basic tool Profi-Crimp Plus with ratchet and quick change insert technology
12205	Plastic case for basic tool Profi-Crimp Plus and up to 6 crimping inserts
12206	Magnetic holder for the accommodation of up to 3 crimping inserts
<b>Deliverable crimping inserts</b>	
12217	Crimping insert for insulated cable connectors 0,5-6 mm <sup>2</sup>
12218	Crimping insert for insulated shrinkable cable connectors 0,5-6 mm <sup>2</sup>
12219	Crimping insert for cable end sleeves 0,5-16 mm <sup>2</sup> /trapezoid crimping
12220	Crimping insert for cable end sleeves 25-50 mm <sup>2</sup> /W-crimping
12221	Crimping insert for non-insulated cable lugs 0,5-10 mm <sup>2</sup> /indent crimping
